

AMENDMENTS TO THE SPECIFICATION

Amend the specification as shown below.

Amend paragraph [0027] as shown below.

[0027] Referring to figures 7A-7D a method for generating a collection of voice generation commands will now be explained. It should be noted that the following discussion presumes that a user of cell phone 24 has set up a text-to-speech service with a service provider controlling email computer server 18.
